Hello from the beautiful Bitterroot Valley

Sunshine and flowers everywhere makes me happy and that's what I see as I look out at my beautiful valley.

I hope you are all gearing up for an exciting summer, but that we will be together at Ultreya the 23rd of June before we all scatter for our summer activities. Before Ultreya at 2pm there will be a board meeting at 11am for board members.

This will be my last communication as Moderator of the continuance board. I will continue as Treasurer, but have decided that leadership needs new and fresh ideas and that I have served as Moderator long enough. I have been honored to serve this amazing ministry in that capacity. Thank you for your love and support.

The board is recommending Jean Moran as my replacement, and we will be asking the community to ratify that recommendation at Ultreya. Jean will be a strong and prayerful leader. I am excited for her to take on the task of leadership. There are 2 openings on the board. Liaison/expansion and Jean's position of helping update leadership folders and other documentation retention. It's called Team and Home Director and the position is shared with Elaine Hawley. If you are interested please pray about it and let someone on the board know.

We had a board retreat a few weeks ago, and spent time reviewing our by-laws among other things. We will also ask the community to ratify a few changes to the by-laws that the board recommends. Mostly just clarification and wording changes.

The ministry remains strong and healthy. We have a wonderful family of dedicated, loyal people who continue to say yes to being in team, with much love for God and the participants they so willingly serve. My heartfelt appreciation and love to each of you. See you soon at Ultreya.

Together with you in His service,

LaDon Nelson

Hello Koinonia

K-92 WOW it was such a blessing to be there and be part of it, Thank You Kenzie for listening to our amazing God and leading us on a awesome weekend. It was a blessing to work with everybody that was on team

Now that we became anchored in, it's time to let God be that all consuming fire in our hearts.

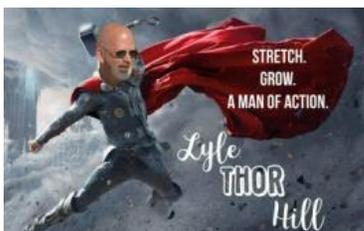

Ultreya is coming up Saturday June 23rd looking forward to seeing you all there.

It's amazing how different but wonderful each k-weekend is. As most of you know Doug Raybould will be the assistant for K-93 I am so excited to see what God has in store for Doug and I as we start preparing for K-93 and will start putting together the K-93 team here soon.

Again Thank You Kenzie and everyone here at Koinonia for stretching and helping me grow with every talk and every weekend

I am praying for each of you.
