## Dear K Family,

K-91 was a wonderful K and exceeded our expectations in every way. Thank you Kathy Meyer, the team who worked so hard, and for the community that joined us on Sunday. It was so amazing.

Congratulations Kenzie Sacry, for being an awesome assistant and who I know will be an exciting

Lay Leader. I am so looking forward to K-92. Also congratulations, Lyle Hill. You have an exciting journey coming up as Kenzie's Assistant Lay Leader. What an honor to serve God with these amazing people.

The Ultreya will be held at the Assembly of God Church in Whitehall on Saturday, November 4, with a potluck afterward. There will also be a board meeting at 10:00 (we will order lunch for the board meeting ).

Then preceding after with the Ultreya starting at 1:00 p.m. then Potluck at 2:00.

I hope to see many of you there. Have an awesome October. See you soon,

Together with you in His service,

*LaDon Nelson, Continuance Board Moderator*

Hello Koinonia ~

First of all, thank you God for showing up in such a powerful way.

K91 was an intense drawing of us to God. We came as He called, often filling the prayer room at all hours, and were immensely blessed for it. We realized God is not finished with any of us yet but there is comfort in knowing we belong to the larger family of God.....named Smith. I accidentally renamed 1 person on the team list as Smith and well.....when you have friends like this, they ran with it. Everyone including participants jumped on board Friday night, announcing their last name as Smith during the introductions. What started out as a huge source of laughter, turned into something that bound us together. We laughed a lot that weekend which balanced out the deep spiritual work beautifully.

Community also blessed us by showing up for both Team Sending Forth and Mananitas. We easily had a dozen community members for Team Sending Forth and Team felt so blessed and grateful because of you. For those who haven't participated for a while in Team Sending Forth, please do. It really helps. Mananitas is always fun. I feel like it is palanka for those working, to see our friends arrive. Thank you for all of you who were on the prayer wheel as well.

Community is very important to the weekend!

So now I join the ranks of the washed up lay leader. I can see why we are called that! No matter how much I poured myself out with God and team, you guys gave more back to me. I will never forget the joy and love I felt over the weekend. So now we pray for Kenzie as she moves forward to K92. She was an amazing assistant and will be an awesome lay leader. Lyle is now walking with her. I am confident "the best is yet to come". With love, your grateful, washed up, former lay leader,

*~Kathy Meyer*

Haaay-O Smith Family Robinson!

Wow... WOW!! WOWZA! I mean... what else can I say? :)  
OK, just kidding. I have lots to say. Because = it's me. LOL.

K-91 was absolutely InCReDibLE!! And chock full of JOY!

I am SOOO humbled and honored to have served as Kathy's assistant!

She's just... amazing! <3 She spent SO much time with God, in deep prayer, preparing for K-91 and it was evident that she was a good and faithful servant! I just LOVE how God just shows up, undeniably BIG, on these weekends. K-91 will forever have a very special place in my heart. <3

Andplusalso, I feel like I should shed some light with this letter and explain the whole "Smith" family thing. Long story short... Kathy "accidentally" labeled Kyleen Segmiller as Kyleen Smith on the K-91 team list and it just stuck. At introductions on Friday night - it was instant... we were family. Almost everyone introduced themselves as "their name SMITH." Even the participants. It was so silly and fun. So prepare yourself for palanka with the name "SMITH" engraved on everything. It seems to be a thing now. LOL. :)

Mmmkay, now that you're all in the know about the Smith's, it's back to biz-nass. :) I'm so excited to announce the scripture for K-92 is Hebrews 6:19, "We have this hope as an anchor for the soul, both firm and secure." Annnnd - ::drrruuumroooooo!!!:: the K-92 symbol is an anchor! The weekend will be held in Great Falls at the Ursuline Center April 20-22, 2018.

I am over the moon excited to announce that God and I chose the incredible Lyle "THOR" Hill to assist on K-92 and lead K-93. Lyle has this calm, solid way about him. He works incredibly hard and brings SO much to our K-family. You probably haven't even realized all the things he does behind the scenes - but I promise you - it's blessed you. Personally. You likely haven't heard Lyle say much over the years - but he's smart, funny, and SO very capable. He's that guy that doesn't say much - but everyone stops and listens when he does because it's usually something level headed and profound. God's putting him on the front lines for a reason... and it's going to be AWESOME!

I pray you all are blessed abundantly, today and always. I hope to see YOU (yes - YOU. The one reading this now) at Ultreya in Whitehall on November 4th! Love your faces! <3 :mwwaaaah::

The best is yet to come!

Hi Everyone

My name is Lyle Hill I was born in Bozeman MT. I was raised as a child in the Thompson Falls and Plains area. In my adult years I ended up back in the Bozeman Manhattan area where I joined Manhattan Fire Department. The Chief of the fire department and I would go out for a Pepsi or a hamburger on Saturday nights and look at trucks. One Saturday night he told me he would pick me up at 10:30 the next morning. (I thought he wanted to go look at some more trucks) yet to my surprise he took me to church with his family. That is how I started to attend church. I always knew of God yet my family did not attend church.

In 2000 I came to Helena working on the Canyon Ferry Fires and ended up staying in Helena. In 2002 I met the Lovely Miss Ruthie and convinced her we should get married. In 2003 we were married. I attended K-81 not knowing what I was getting into. Friday night I was ready to go home yet Ruthie had the car keys. It was not long into the weekend everyone knew I was the shy quite one. Yet Sunday was a new day and God was working on me I wanted more Koinonia. I was very happy to serve as a Warden on K-82 and many more, it meant more Koinonia.

Yet knew I would not be up front talking in to a microphone.

Well God has bigger and better plans for me than I will ever have for myself. He has better plans for all of us, all we have to do is listen and take action.
