## RIDDANCE OF SIN CHANGE

The Continuance Board knows how different changes affect the team. That being said, the Board is going to communicate information to the Community better than we have in the past, by sending a Rainbow Connection news blast and posting information on the Koinonia Facebook page.

We are all aware of how late the Riddance of Sin can be on Saturday night, therefore the Board voted to have only one Riddance of Sin talk. The team and participants will hear the same talk at the same time and the team and participants will nail their sins to the cross at the same time. This will take place after the Participants are all done with their Chapel time. Below is how the Riddance of Sin should flow:

- Participants will go into their share groups Saturday night to make posters and have their share group chapel time as usual.
- Team is encouraged to make use of the Prayer Room throughout the weekend, however, there will be prayer stations where the Riddance of Sin is to be held. The team may have prayer during this time until participant are ready to come to Riddance of Sin.
- When the participants are close to finishing, the Chapel Liaison will alert team that the participants will be arriving soon. When team receives the alert, team prayer time will stop. Any team members who didn't get prayed for are encouraged to seek prayer on their own in the prayer chapel at their convenience.
- Participants will arrive and join the team to hear the Riddance of Sin talk. Then both team and participants will nail their sins to the Cross and participants will be prayed for while team sings quietly.
- When all the participants have been prayed for, everybody will proceed to burning of the sins and the luminary walk.
